

Transformers for Low-voltage Halogen Lamps **135**

Electromagnetic safety transformers	135
-------------------------------------	-----

Lampholders for Halogen Lamps **136-150**

G4/GZ4	136-138
Lampholders with separate mounting spring for GU4 lamps	139
GX5.3	140
GU5.3	140
Lampholders with separate mounting spring for GU5.3 lamps	141
G4, GX5.3, GY6.35 push-fit system	142
G4, GX5.3, GY6.35	143
G53	144
B15d	144
G9, accessories	145-148
GU10, GZ10, accessories	149
R7s – metal	149
R7s – ceramic	150

Technical Details for Halogen Lamp Components **151-155**

Ref. No. index for Halogen products	154-155
-------------------------------------	---------

Edison Lampholders and Accessories for General-service Incandescent Lamps **158-172**

Candelabra base lampholders	
Three piece, made of thermoplastic	158-159
Thermoplastic, for candle lamps	159-160
One piece, made of thermoplastic	160-161
Intermediate base lampholders	
One piece, made of thermoplastic	161-162
Accessories for candelabra and intermediate base lampholders	
Cover caps	162-163
Accessories	163-164
Medium-base lampholders	
Three piece, made of thermoplastic	164-165
One piece, made of thermoplastic	166
Cover caps for one piece, made of thermoplastic	167
One piece, made of porcelain	168
With pull switch	168-169
With rotary switch	169-170
Accessories for one and three piece	171-172

Technical Details for Incandescent Lamp Components **173-177**

Ref. No. index for Incandescent products	176-177
--	---------

Systems and Components for Lighting Applications with Light Emitting Diodes **180-202**

Built-in PCB lighting modules	
HighPerformance Line and Square, accessories	180-182
LEDLine High Power	183
TriplePowerEmitter	184-185
PowerEmitter, accessories	186-188
LEDLine Flex SMD – In- and Outdoor	189-190
ChainLED	191
EasyLED	192
LEDLine 150 (COB) and LEDLine 300 (COB)	193
LEDLine (SMD)	194
MarkerLED (COB) and MarkerLED Square (COB)	195-196
Lighting modules	
LightTile	197
Electronic converters	
LEDLine EDXe 130	198
LED connecting technology	
PCB distributors	199
Leads, push terminals, mounting	200
Connecting cable	201
EasyConnect	202

Technical Details for LED Applications **203-213**

Ref. No. index for LED products	210-213
---------------------------------	---------

Technical Details **214-232**

General remarks	214
Electronic ballast limited warranty	215-216
Glossary	217-222
Ref. No. index	223-231
Sales subsidiaries	232
