

# VS|INVITATION

## MEE 2017 – 14 TO 16 FEBRUARY – DUBAI WORLD TRADE CENTER, UAE

From 14th till 16th of February 2017 the Middle East Electricity will again open its doors in Dubai as the largest international trade event for the power industry, covering the generation, transmission and distribution of electricity, the renewable and nuclear energy sectors and the lighting industry.

Together with our local distributor VSGULF we will present complete LED systems – consisting of LED modules, drivers and optics as well as intelligent light management systems for indoor and outdoor applications – brilliant highlights that pave the way to sustainable efficiency.

Vossloh-Schwabe highlights include, among others:

- Linear LED SMD modules with suitable optics and drivers
- LED COB modules for retail applications and drivers
- LED Driver-on-Board COB and SMD modules for direct connection to mains voltage
- LED Downlights Prime K R

**MEE Dubai 2017 – H1.E20**

Visit our stand **H1.E20** where we will be presenting our innovative lighting solutions and see our new range of system solutions for yourself. Our trade fair team is looking forward to your visit and to discussing our innovations for the lighting industry with you in person.

Please do not hesitate to contact us for a personal appointment.
